

FOLIO

Interface[®]

Silk Complex Collection

FOLIO: Interface Design Studio has created a group of supplementary assets that show our newest products in a variety of spaces. The design ideas demonstrate practical to aspirational application across spaces – all driven by curated launch palettes. Also included is a color placement guide, which shows the position and percentage of hues of each carpet tile colorway and serves as a quick visual reference when customizing color.

Silk Complex Collection

1. **nora Rubber** norament arago 5179 Tranquil
