

FOLIO

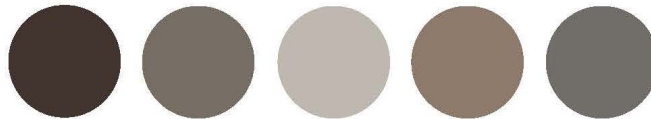

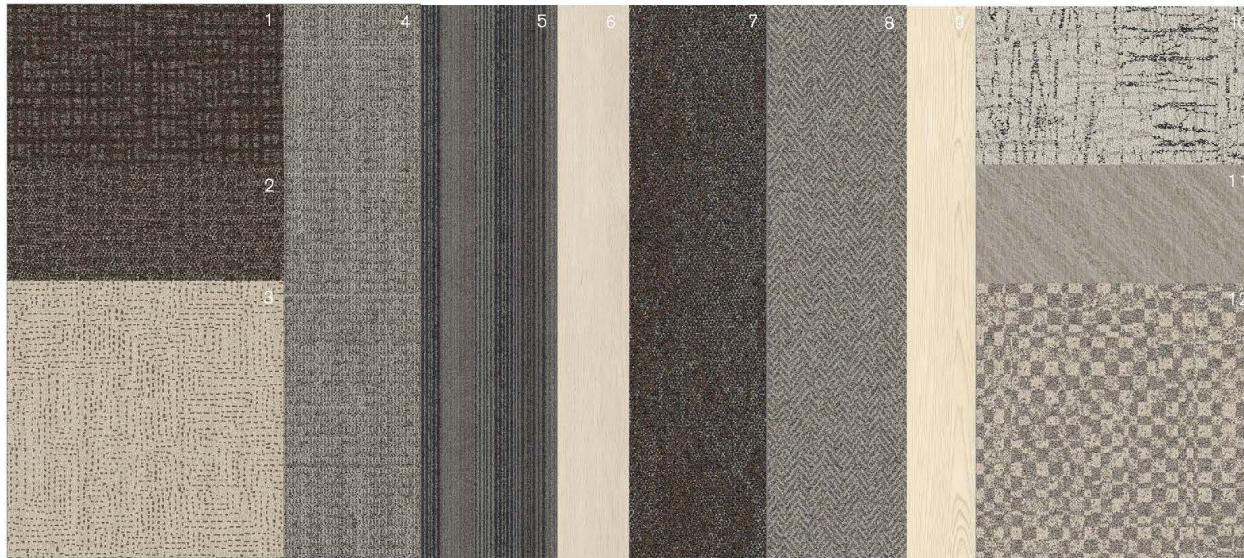

Third Space Collection | Open Air Collection |
Northern Grain | noraplan convia

Interface®

FOLIO: Interface Design Studio has created a group of supplementary assets that show our newest products in a variety of spaces. The design ideas demonstrate practical to aspirational application across a set of Corporate, Healthcare and Educational spaces – all driven by curated launch palettes. Also included is a color placement guide, which shows the position and percentage of hues of each carpet tile colorway and serves as a quick visual reference when customizing color.

LAUNCH MOMENT ONE - THIRD SPACE

Product Launch Palette - Dark Oak
