

A black and white photograph of a snowy mountain slope. The snow is textured with tracks and shadows, suggesting a ski run. In the lower right, a small figure of a skier is visible on the slope. The overall scene is dynamic and captures the essence of winter sports.

Works + Freestyle

Interface®

Works+ Freestyle. Distinctively casual

Works+ is the next generation of the market favourite Works Series. Offering a complete package with more colourways and a superior specification. Co-ordinating designs to solve a wide range of flooring challenges.

Works+ Freestyle is inspired by the layered textures of roughly painted wood and lends itself perfectly to our Skinny Planks format. It brings a relaxing informality to interiors, enhanced by eight calming colourways exploring greys and neutrals.

Specifications

Style Code	2542
Product Construction	Tufted Textured Loop
Yarn System	100% Solution Dyed Nylon
Machine Gauge	1/12
Pile Thickness	2.5mm (± 0.5mm)
Total Thickness	6.5mm (± 0.5mm)
Tile Size	25x100cm
Area of Use	Commercial – Heavy Use
Lifetime Antimicrobial	Intersept®
Soil/Stain Protection	Protekt®
Installation Methods	Ashlar, Herringbone

Carbon Neutral Floors™

All Interface manufacturing facilities in the Asia Pacific region maintain registration to ISO 9001 Quality Management Systems and ISO 14001 Environmental Management Systems.

Production specifications are subject to normal manufacturing tolerances and may be changed without notice. Slight variation in colour among different production lots are normal and should be considered in the overall installation plan. Products covered by manufacturer's written warranty only. All other warranties, including without limitation any implied warranties of merchantability or fitness for particular purpose, are hereby disclaimed. Contact your representative for written warranty information.
